To Whom It May Concern:

We have had the pleasure of working with Bay Shore since 2010. Their quality of work, customer service and dependability has been satisfactory. They have pressure washed the exterior of our building, did a great job on painting the exterior, painted apartments and they have done several other painting projects for us.

I have had a positive experience using Bay Shore Painting Contractors and would not hesitate to use them again. I would recommend their work.

Sincerely,
